

The **Top Ten** Excuses for NOT

giving to the Senior Gift...

- 10 My gift won't make a difference.
Wrong!! Any gift, of any size helps! One criterion for ranking in the *U.S. News and World Report* is whether alumni care enough to give back. So make a gift and help show the U.S. that CNU is an amazing university.
- 9 The dog ate my checkbook.
Not a problem! Lucky for you we take Visa and MasterCard!
- 8 I haven't been asked yet.
Well, we're asking now!
- 7 I already paid my tuition.
That's great! We all have, but tuition doesn't cover everything... a good part of the money needed to keep the university going comes from private donors—like you!
- 6 CNU doesn't need my money.
Yes it does! By giving back to CNU we are helping to protect and hopefully increase the value of our degrees. The better CNU looks, the better YOU look to potential employers.
- 5 I'm not graduating until December.
Nice try, but you're included too! Both May and December grads are still part of the class of 2007!!
- 4 Someone else will do it.
NO ONE ELSE CAN DO YOUR PART! ALL Seniors will play an important role in the Senior class gift! We need everyone to participate in order to make the greatest contribution possible.
- 3 I'm going to think it over.
Think fast!! You have until **April 27th** to make your contribution!
- 2 I am waiting for my engraved invitation.
Well, you won't be getting one. But, when you donate you will be recognized by receiving special benefits courtesy of the Alumni Society. (Ask for more details)
- 1 I forgot!
HERE'S YOUR REMINDER!!!! GIVE TO THE SENIOR CLASS GIFT!!!
